

Still, We Die

1. Still, We Die

I'm a stupid idiot. I've got many regrets. But none as big as that thing that hasn't happened yet.
I'm gonna die, I'm gonna die, I'm gonna die without saying goodbye.
Some things come and some things go. But what are you gonna do about it? That's what I'd like to know.
I'm gonna die, I'm gonna die, I'm gonna die without saying goodbye.
I know you. You like to dance. And you're one sucker for that good old-fashioned romance.
That tune they play for us to hear. It's not quite far and it's not quite near.
Everything's spinning away from me. Somebody is grinning, or can't you see?
I'm gonna die, I'm gonna die, I'm gonna die without saying goodbye.

2. And There Is Nothing We Can Do About It

3. Yet, Still, Perhaps

4. Palinode

Hey, how are ya? Okay, I guess. I've been thinking about dying. I've been thinking about death.
What's new with you? What's going on? I've been writing some music. I've been singing this song.
My life is a string of missed opportunities. Why can't anyone bring me down to my knees.
I've been thinking about dying. I want to be dead. Why are you crying? What's wrong with my head?
I'm thinking of leaving this town for good. I'm no longer believing that we've done all that we could.
So get off your ass and get your shit together. Let's go outside and enjoy this beautiful weather.
Please disregard everything that I've said.

5. Old Man of the Sea

I like to poop my pants, every time we dance. It's a mystery, but I like it slow.
I like to look at you. It's just something I do. And the way you move is making me feel nice.
Where you going tonight? Where are you going my darling? Where are you going tonight, my darling dear?
Where you going tonight? What's out there waiting for you? Where are you going tonight, old man of the sea?
I like to play mahjohng. I like to smoke a bong. I'm just a relative of you.
But you know the way that I feel after eating such a meal. It's alright by me if you don't stop on by.
Where you going tonight? What's on the other side? Where you going tonight, my darling dear?
Where you going tonight? What's out there waiting for you? Where you going tonight, old man of the sea?
Somebody needs to start this game. You don't know my name, but I once came by to see you and you smiled.
This one's going up on the charts. I like it when you fart. And the way that you are dancing oh so slow.
Where you going tonight? What's all this rigamarole? Where you going tonight, my darling dear?
Where you going tonight? What's out there waiting for you? Where you going tonight, old man of the sea?

6. Disparate Things

There were so many things that we wanted to do, but we didn't get to do any of them.
There were so many things that we wanted to do, but we decided we'd rather sleep in. Metaphorically speaking, that is.
I suppose everything that I say is a lie. I suppose one day I'll grow up and die.
If you don't understand what I'm trying to say, maybe it's about time you started looking my way. I'm giving you all the signals I got.
Somebody wants to cross that stream. Somebody wants to wake up from their dream. Somebody is singing this song. Somebody can't always be wrong. Think about it.
Think about something inside of your head. Think about something else. Metaphorically speaking, that is.
There were so many things that we wanted to do, but we didn't get to do any of them.

7. Everything Is Going To Be Alright This Mourning

Good job, I like what you're doing.
I'm still in love with you.
Again, I want to see you dance.
Oh, look at the time.
Bananas in your belly, mai'a ma loko o kou na'ao la.
'A'ole hiki pale 'ia'oe.
Ripples, ripples, ripples.
Still, we record our ripples.

Ua pa'a ka puka i ka makani la.
I don't wanna bore you with my troubles, I just want to give it to you.

8. Aloha No Maunawili

Haku 'oe i ka lei i kou wāwae. 'A'ole lole wāwae.
Lawa pono nā avocado. 'A'ole lole wāwae. In the distance, ke kelepono. Ka mauna. The sky.
Kāu hula, maika'i no. Walking on by, ka ilio. Ua lele ka mo'o. Maika'i no ku'u ipo.
Aia no i ke au a ka wāwae.

9. I Guess I'll Eat Some Worms

Nobody loves me, everybody hates me. I guess I'll eat some worms.

10. He Leo Mai Kekahi i Kekahi

I don't know what you are talking about. I don't think that we communicate so well. I guess what it is is that we're two different people.
I don't get to sit and look at the stars very much. I guess that I am feeling out of touch. Well, that's what happens to people. That's what happens to people.
My back yard is not much to talk about. I have this friend that has a slight case of the gout. I guess that I would call him my friend. I suppose that's what he is.
I am singing this song to a rat that is sitting on a ladder. I suppose that it is a rat and not just a bunched up rag that's blowing in the wind.
I can see that you are looking at me. And I know you know what I am talking about. You all just want to be free. You all just want to get out.

11. Holoholo i ka Pā Pōhaku i Kahakai Kailua

Hey, what are you doing there? Standing on the beach in a suit. You shouldn't be doing that. Don't you know this is a public beach? And you're occupying it illegally. Why don't you get on with yourselves? And leave us alone.
Thank you, sir, for letting me know the effects of my actions. I would not recognize all my foibles if it wasn't for other people. I'm gonna get out of here. I'm gonna hop on the next flight. And go back to my home that does not exist. It does not exist. It does not exist anymore. It does not exist anymore. And I am very sad about all the things that I miss. And yet here I am, strumming on this 'ukulele. You weave that lei with your feet. You weave that lei with your feet.

12. Heart For Sale

This is one hard sell. This is one hard sell. You don't want what I got, but I'm gonna sell it to you anyway. This is one hard sell. It's how I make my living. I've got my work cut out for me today. This is one hard sell.

13. I Don't Speak ('A'ole Maika'i Loa Ka'u 'Ōlelo Kanaka)

There are some things that I miss. Like being able to talk out loud.
What the fuck are you talking about? I don't speak human too well.
Tweet tweet tweet. Barang barang barang. Whimper moan. I don't speak human too well.
And I gave it my best. And I gave it my best. And I did a bit of my worst. I did a little bit of my worst.
And I gave it my best, but it wasn't enough. So I gave it my worst, and it was enough to get us where we are right here. It got us where we are right here.
I'm just one mouse ha'aha'a. I only get one tiny squeak. I'm just one mouse ha'aha'a. I only get one tiny squeak. What is it that you want from me? If there's nothing I can give you from me, then I don't wanna be here. I don't wanna be here. I don't wanna be here at all, I don't wanna be here.
I don't speak human too well.

14. This Here Machine Is A Perpetual Motion Back Scratching Machine

You scratch my back and I'll scratch yours. I hope I finished all my chores.
You scratch my back and I'll scratch yours. I hope I finished all my chores.
I see you over there in the distance. You scratch my back and I'll scratch yours if it pleases you.
I'm sorry for all the trouble I caused.
A square hypotenuse is something. A hippopotamus is something else. A bird is flying over head of me. And I'm singing another song about myself.
You scratch my back and I'll scratch yours if it pleases you.
You scratch my back and I'll do whatever you like. What is it that you would like me to do. You've got to let me know. I'm not a mind reader or anything like that. I'm just a guy who sometimes puts on a good show.
You scratch my back and I'll scratch yours if it pleases you.
